Re: Millington Asbestos Disposal Sites

Dear Mr. Robinson:

As per our telephone conversation on August 1, 1986, I understand that EPA has approved the use of 6" augers for the shallow borings and the random sampling program HART provided to you on July 21, 1986.

We look forward to mobilizing at the Millington site on Monday, August 4, 1986.

Sincerely,

FRED C. HART ASSOCIATES, INC.
